

SCALE WEAR®

Custom High Performance Clothing

Buy America's favorite fully designed and sublimated dri-fit high performance clothing, hoodies, jackets and more featuring your custom design or business logos wherever you like. No hot spots like screen printing either. The design becomes part of the fabric allowing the clothing to breathe. We can help you advertise your business or club for less.

Scale Wear Design provides a high level of customer experience and satisfaction. Once your artwork has been approved, we will get your order into production in just a few days. If you have any questions or would like assistance creating your design or updating your logo, we can help!

We have many years of experience creating promotional apparel for companies like yours and will make the process quick and easy. We utilize only the best sublimation equipment to create your high performance clothing. Everything is included in our low prices! We do not charge for logo assistance, designing, or shipping. Its all included!

Services:

- Custom base designs on clothing and hats
- We can add pockets, hoods, zippers, etc per your request
- We can help you to update your logo or even help you create your very own logo free of charge

Our dye-sublimation technology has no texture/feel, no cracking, no ink fading and long lasting durability.

- Our fabrics are excellent at protecting you from bugs, are stain resistant, will help wick moisture away destroying bacteria and subsequently control odors.
- Zipper or draw string hoods
- Clothing sizes for youth, women's and men's and Unisex sizes XS thru 6XL
- We offer over 30 styles of hats. From structured trucker hats to the unstructured hats for a lot less than the competition! We have samples available and are happy to send you some for evaluation.

Custom Accessories

Golf & fishing towels with grommets & carabiner, custom fishing gloves, hats & beanies.

We offer an entire assortment of fully customizable micro-fiber towels, structured and unstructured hats & beanies for all seasons. Many available hat styles and beanies with and without pom-pom plus lots of color variations.
