

SCALE WEAR®

Custom Hats

Buy America's favorite style hats featuring your custom design or business logo. Or you may choose custom sublimation panels to match your best-selling apparel. We can help you advertise your business or club for less.

Scale Wear Design provides a high level of customer experience and satisfaction. Once your artwork has been approved, we will get your order into production in just a few days. If you have any questions or would like assistance creating your design or updating your logo, we will help!

We have many years of experience creating promotional apparel for companies like yours and will make the process quick and easy. We utilize only the best equipment to embroider or create your silicone or laser engraved leather patches for your hats.

Everything is included in our low prices! We do not charge for logo assistance, designing, or shipping. Its all included!

We offer over 30 styles of hats. From structured trucker hats to the unstructured hats for a lot less than the competition!

We can help you to update your logo or even help you create your very own logo free of charge

We have samples available and are happy to send you some for evaluation.
